MELTING AND REFINING DEPARTMENT,

Philadelphia, 26. Feb. — , 1885.

Hon. A. Loudon Snowden

Superintendent.

Sir,

I respectfully solicit of you the favor to allow Mr John Mirkil of this Department of the Mint an occasional leave of absence, and reporting for duty from time to time.

Altho holding officially only a workman's position, he has been performing clerical duties of the most responsible character. The Refining and the Vault-accounts, of bullion received and paid out, have been under his special charge, and I cannot speak too highly of his unceasing watchfulness and energy and of the accuracy of his accounts. I regard his long and constant devotion to these harassing duties as one great source of breaking health, which requires alleviation in order
